*****To confirm your enrollment, please see your blackboard course shell page*****

Please read carefully!!

Students, if you enroll into more than one section for a subject you will be dropped from all sections. You are ONLY allowed to enroll into ONE section per subject. If you need to drop your one section, please email us at pltl@fiu.edu. Once dropped, you will have the opportunity to enroll into another section, as long as there are still seats available. Once a section is full, we **DO NOT do overrides.**
